Purpose of FSG

This FSG sets out key information about the financial services we may provide to you. It also sets out information about your rights with respect to the financial services we provide.

We strongly recommend that you read and understand this FSG before you engage us to

provide you with any financial services. If you have any questions, please contact us.

Documents you may receive

If we provide you with financial advice, we will provide that advice to you in a statement of advice (“SOA”). The SOA will contain our advice, the basis upon which we provide the advice and specific information about the remuneration we receive.

In some circumstances, we may also record our advice through preparing a record of advice (“ROA”) instead of providing you with a SOA. If you have not been provided with the ROA, you may request a copy of it free of charge at any time within 7 years after the advice was provided to you, by contacting us.

If we provide you with advice to establish a self-managed superannuation fund (“SMSF”) or commence a pension or arrange for those services to be provided to you, we will ensure that you are provided with a product disclosure statement (“PDS”) unless we are satisfied that you have already received or have access to all of the information that would have been contained in the PDS. The PDS is issued by the SMSF trustee and is designed to provide you with information to make an informed decision about whether to acquire an interest in the SMSF. The PDS will include details about the significant risks and benefits, costs, charges and other significant characteristics or features of the SMSF.

If you enter into an ongoing arrangement with WHCSS, you will receive a fee disclosure statement each year and a renewal notice every two years.

Financial services WHCSS is authorised to provide

WHC Licensing has authorised WHCSS to provide the following financial services to wholesale and retail clients:

- provide financial product advice on SMSFs.
- provide financial product advice on a person’s existing superannuation products, but only to the extent required for:
 - making a recommendation that the person establish a SMSF; or
 - providing advice to the person on contributions or pensions under a superannuation product.
- deal (issue, acquire, dispose) or arrange to deal in a SMSF.

- provide class of product advice with respect to:
 - superannuation products;
 - general insurance products;
 - securities;
 - simple managed investment schemes;
 - life risk insurance products; and
 - basic deposit products.

Class of product advice allows us to consider your personal circumstances in determining the appropriate class of financial product that is suitable to you. However it does not allow us to recommend any particular financial product.

WHCSS is a corporate authorised representative of WHC Licensing. Any personal advice will be provided by WHCSS and any of its Category 1 or Category 2 Advisers, which are listed in the Adviser Profile section. More details about them, including the personal advice they are authorised to provide, is included in the Adviser Profile section.

How can you provide us with instructions?

You can give us instructions by phone, email or any other means that we agree with you from time to time. Please refer to your engagement letter with WHCSS for further information on this.

Who does WHC Licensing act for?

As authorised representatives, we provide financial services on behalf of WHC Licensing. In providing those financial services, WHC Licensing acts on its own behalf. WHC Licensing is independent, and is not aligned with any product issuer or re-seller.

If you enter into an ongoing service arrangement with us, we will charge you a yearly fee. This will be disclosed in the SOA or ROA, engagement letter or fee disclosure statement.

These fees are not related to the financial services we provide you, and will either be a fixed fee or based on the amount of hours it takes us to prepare the necessary documentation.
