## Hall Chadwick QLD SMSF & Financial Advice advice process

HCQSFA has a comprehensive advice process in place designed to ensure that the advice provided is suited to your needs and financial circumstances.

In summary:

### 1. Getting to know you

It's all about you. When you meet with your Advisor, they will discuss your expectations, help you to identify your financial goals and provide you with details of the services that they can offer. During this meeting and/or at a follow-up meeting, they may also gather information about your financial situation, needs and objectives and your risk profile and ascertain what the scope of the advice to be provided will be. Your consent and agreement on the scope of the advice will be documented via a Letter of Engagement.

If you do not wish to provide the information they require to formulate their recommendations, your Advisor will advise you about the possible consequences of not having disclosed your full personal information and the impact on the recommendations given. You should consider these implications carefully.

### 2. Developing strategies and providing you with advice documents

#### Initial advice

Your Advisor will formulate a strategy to help achieve your needs and objectives and will put together any personal advice in a Statement of Advice (**SoA**). A SoA sets out the scope of the advice, your current personal and financial position, the basis for the advice and how it addresses your needs and objectives. It will also disclose the fees and charges payable by you and the remuneration and other benefits we may receive.

The SoA will also make references to any potential conflicts of interest that you need to be aware of when deciding whether to rely on the advice. Your Advisor will explain any risks associated with implementing the recommendations. Please ask your Advisor to clarify any risks you do not understand.

#### Further advice

Where a further review is conducted or ad-hoc advice is requested from you and personal advice is provided, the advice may be provided via a new SoA or a Record of Advice (**RoA**) as applicable to the circumstances. Further advice may be in the form of a RoA where the further advice does not significantly differ from the original advice provided.

Where further advice is provided, and if you have not already been provided with a copy of the new advice document, then you may, for a period of seven years after the further advice was first provided to you, request a copy of your advice document. This can be done by contacting your Advisor in writing, by email or by telephone.

### **Product Disclosure Statement**

If your Advisor recommends a product as part of your financial strategy, they will provide you with the relevant Product Disclosure Statement (**PDS**). The purpose of a Product Disclosure Statement is to assist you in making decisions about a particular financial product. It contains information about the product's key features, benefits, risks, and fees.

### **3. Gaining your consent to proceed**

Your Advisor will discuss their recommendations with you, make any changes you require and gain your agreement to implement those recommendations. They will then implement those recommendations.

### **4. Keeping you on track**

To ensure that the advice your Advisor provides you with continues to meet your financial situation, needs, and objectives, we offer an ongoing review service which provides regular reviews and written reports on the valuation and status of your investment portfolio.

If you wish to take up this service, please contact your Advisor so they can provide more information and outline their fees.

If your Advisor recommends, and you enter into an ongoing review service, for a period of more than 12 months:

- You will receive a Fee Disclosure Statement (FDS) each year. It will outline the fees paid and the services you received in the preceding 12 months.
- You may also receive an Opt-in Notice every two years along with your FDS. This document will ask you to confirm that you would like to continue the ongoing service review with your Advisor.

## **Instructing your Advisor**

At times, you may wish to make changes without receiving advice. In these cases, we can take your instructions by telephone, email or in person at Eternity Financial Services Pty Ltd's office you are dealing with and arrange for the transaction to be completed, without providing personal advice.

If you wish to proceed without advice from us, we will ask you to confirm your instructions in writing. Once implemented, we will provide you with a Statement of Transaction (**SoT**), which confirms your instructions, informs you that no advice has been provided and discloses any fees and charges payable by you, as well as any benefits we may receive.

## **Charging options**

The remuneration and other benefits listed below generally cover what Fortnum, your Advisor, Eternity Financial Services Pty Ltd and any related parties may receive as a result of the services provided to you. Specific amounts and benefits can often only be calculated once the recommendations are made to you.

There are various ways that you may pay Fortnum for the services we provide to you, including:

- Fee for service - where you pay a fee for the services that we provide;
- Commission (paid by product and service providers) in the form of initial (up-front) and/or ongoing (trail) commission; or
- A combination of commission and fee for service.

Each of these is discussed in further detail below.

### **Fee for service**

Fee for service payments may be payable for:

- **Preparation of advice and initial advice:** We may charge fees for the preparation, presentation and/or implementation of our advice to you. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement on the fees, in the form of a Letter of Engagement, before we provide you with advice. The fee will also be disclosed to you in your advice document.
- **Ongoing Advisor services:** We may charge a fee for the services provided on an ongoing basis commencing from the implementation of the recommendations contained in the advice document. The amount and the services included will be determined in consultation with your Advisor.
- **Ongoing review and advice services:** We may charge a fee to provide ongoing portfolio reviews, including further advice suitable to your needs. This fee will be determined in consultation with your Advisor and documented in an Ongoing Service Agreement.

In all instances, your Advisor will discuss the calculation of the fees when you meet and agree on the services to be provided. Fees charged are generally payable after the services have been provided, however, ongoing Advisor service fees are generally paid in advance. The agreed fees may be documented in a Letter of Engagement, set out in a Statement of Advice, or in a Record of Advice.

### **How are fees for services calculated and paid?**

Fees charged for our services may be:

- a dollar amount;
- a percentage of the amount invested;
- an hourly rate; or
- a combination of some or all of the above, as agreed with you.

### **Payment of fees for services**

We will discuss and agree on the method of payment with you before we provide you with

our services. Generally, we will either invoice you directly, or deduct from your investments, or adopt a combination of these methods for the fees payable. Cash transactions will not be accepted.

The fee for service may be determined by any of the following:

Service	Fee
Initial discover & Strategy Meetings	*Starting from \$4,400
Statement of Advice	*Starting from \$8,800
Implementation of Strategies	Hourly Rate
General Advice	Hourly Rate - \$660 per hour
Research, Analysis & Paraplanning	Hourly Rate - \$330 per hour
Ongoing Advice & Portfolio Management	Starting from \$16,500 depending on Services

\*Fees will be agreed based on your requirements and the complexity of your financial circumstances. All fees charged will be fully detailed in the Letter of Engagement or Statement of Advice you receive and will be agreed with you prior to you becoming liable for them. All fees are inclusive of GST.

If your Advisor receives a proportion of this remuneration directly attributable to the advice and/or service they have provided you, they will inform you of the amount at the time they provide you with advice.

### Commissions on group life insurance products

Fortnum does not receive any initial or ongoing commission on group life insurance products held through superannuation including employer, corporate or industry superannuation plans. However, existing commission arrangements are grandfathered and will continue to be paid if the product was entered into before 1 July 2014.

In instances where we advise that you retain such products, we will continue to receive any existing ongoing commissions that are payable.

In respect of all other life insurance products apart from group insurance plans held through superannuation, Fortnum may receive payments in the form of initial commissions and/or ongoing commissions from the product providers for any product you choose to use that is recommended by us. These commissions are included in the fees and/or premiums you pay for the product. You do not pay these fees to us directly. We may rebate some or all of this to you.

## How are commissions (initial and ongoing) from a life insurance product and service provider calculated and deducted?

Initial commission from a life insurance provider is typically up to 66% (inclusive of GST) of the first year's premium that you pay. Ongoing commission can be up to 33% (inclusive of GST) of the premium from year two onwards for the life of the policy.

The actual commission that will be received by Fortnum, Eternity Financial Services Pty Ltd t/as Hall Chadwick QLD SMSF & Financial Advice and your Adviser will be disclosed to you in your Statement of Advice, Statement of Transaction or Record of Advice.

### **Example**

If you pay \$1,000 p.a. in premium for a life insurance product recommended to you and the applicable initial commission is 60%, then Fortnum will receive initial commission of \$600 (i.e. \$1,000 x 60%). Fortnum may then pass on anywhere up to the full amount, \$600 in this example, to the Principal Practice.

## Commissions on investment products

Generally, Fortnum does not receive initial or ongoing commissions in respect of investment products. However, there are some products which continue to pay commissions where the product was entered into before 1 July 2014. In instances where we advise that you retain such products, we will continue to receive any existing ongoing commission that is payable.

All remuneration percentage rates paid from the product and service provider are dependent upon the specific products you hold and are inclusive of GST where applicable. Specific details of the commission paid from the product and service provider will be fully disclosed in your advice document.

## Remuneration received by Eternity Financial Services Pty Ltd t/as Hall Chadwick QLD SMSF & Financial Advice (HCQSFA)

All fees for services paid by you and/or commission paid by product and service providers are paid to Fortnum. Fortnum then distributes the fees received to its Principal Practices after any applicable fees and other expenses are deducted. HCQSFA may share part of this amount with your Advisor.

Your Statement of Advice, Statement of Transaction or Record of Advice will provide further details of amounts paid to Fortnum, HCQSFA, and your Advisor.

Commissions may be paid by product and service providers to Fortnum, who, in turn, may pay a proportion of this to HCQSFA.

If your Advisor receives a proportion of this remuneration, they will inform you of the amount at the time they provide you with advice.

If you would like a copy of the register, please ask and it will be made available to you within seven days.
